P.S. If it is consistent with the public service I hope you will grant me the leave asked for. I am not satisfied with the present position of my Company and many of my friends at home wish me to resign & come home and run for the Office of Judge of the Circuit Court in the Circuit where I have practised law for twenty years & my feeling are that I can be more useful in the army than at home & hence I prefer remaining if I can do so consistently. Unless I believe that I can do more good in raising men for the War for the next few months than in any other way

Maj Genl Pell

Sir My company "The Chamberlain Cavalry" was raised for the War under a requisition from the War Department for two Cavalry Companies from Ala. to serve during the War. we entered the service 24th July last since our arrival at Bowling Green Ky we have been required to act with 12 Companies of the Battalion (Lt Col Brannan) with which we are now connected but one other Company (Capt Wales) for the War the others (Capts Barnes Clays & McCutchins) for 12 months Much dissatisfaction prevails in the Battalion and especially in my own & Capt Wales Companies. Many reasons I think might be assigned why we should not be connected with twelve months Companies in their organization. I therefore respectfully ask that my Company be detached from this Battalion and that in any future organization we be connected with troops recruited for the War. I am satisfied from the course that if you will grant me authority to do so I can procure means and raise and organize a Battalion (at least) for the War and have them in the field by the first of April and if you will grant me such authority I should like to procure means for that purpose immediately and when raised should like to have my Company attached to it. You will recollect that my 1st Lieut. P. H. Rainsford is now at home raising a Company for the War under your permission for that

GEN. POLK PAPERS.

Marion Ala. [illegible] 1861

Gov. [illegible]

Sir

I received here on the [illegible]
Company (Chambers County) on Sunday morning last and reported to Genl Clark. I was informed by him & Genl Gov. of Ala. before we left Loachapoka that the Tuskegee Company from Ala. would be the representation of the Star Regiment & would go into a Camp of Instruction but an application to Genl Clark he informed me that he had no orders or instructions upon that subject, and advised me to write to you. My Company numbers 78 including Officers and is composed of men generally who have been engaged in farming and are unaccustomed to Military life but it gives me pleasure to say that in relation to morals & sobriety the will Compare favorably with any Company I have seen. I myself am inexperienced as to service in the field, and would if it is consistent with the interests of the public service be glad to have a Competent drill officer assigned to my Command for the

for [illegible] I have offered, but I have not time to procure one. If Tinge [illegible] Department, please to [illegible] Gen. Blair who has been teaching the Rebel recruits to [illegible] officers of the Infantry, and who I am informed by Genl Blair has a well established reputation as a drill officer for training Cavalry, but I am not officially of his belonging to the Confederate army and I have not felt entitled to employ him and indeed have not felt that I ought to incur the expense which would be necessary to employ a private person. I am drilling my Company myself in the Tactics prepared by J. R. Poinsett which Volunteers are usually called Hardees. Please address me direct here on the subject of procuring an Instructor if it is proper for us to have one.

My Company are armed with Rifles and Army Pistols one to each man but we have been disappointed in [illegible] for the War and are very anxious to procure Carbines but cannot get them from our own State as Alabama has none only those in service. Consequently we

Maj:

The application made by me on the part of my company to be transferred to the 8th Confed. Cavalry, addressed to the Hon. Secretary of War and refered by him to the approval of General Lee has just been returned to me with the request to be informed when said Regt was serving before your action would be taken upon it.

Col Wade 8th Confederate Cavalry is at this time serving in the Department of Southern Va, Gen Braggs Corps. but is assured, as he states, to be transferred to Miss under Gen Pemberton when this Cavalry was raised. My company (Col Wade) as well as myself have thought the company would be an auxiliary to him and a benefit to the service in operating there as a part of our country at this time so much threatened by our enemy.

In consideration of the unpleasant duty we are now on as an unattached co. and a desire to serve under our old commander in expelling the foe from our own homes I most respectfully solicit the approval of the commanding General

[illegible] under a General whose every battle has been a victory to our arms and who is so much beloved by us all: but the natural love for our own fair sides and a desire to do our all in their defence encourage our soldiers to serve under him who will not [illegible] to expect as much honor upon all who [illegible] with him.

Dec 9th 1862

Hon Sec of War

I have the honor to represent to the Secretary of War that I am now in Command of a company which is at this time unattached. I have served for the last six months and have participated with the 1st Miss. Batt. in the battles of the 2nd Manassas and Sharpsburg.

I had just joined a Battalion in Columbus Miss when orders were received from the War Department commanding me to report with my company to the 2nd Miss Batt. with a view of forming the Batt into a Regt. As the Batt being ordered into a Regimental organization then was eleven companies and by order from headquarters the three last companies [illegible] 2nd Miss Batt were to determine by lot which should be discarded from the Regt. It fell to my company to be the one. And I now, in behalf of my co, petition that we be assigned to duty with Col Wades 4th Cavalry Regt. I have been informed that one company of Col Wades cavalry Regt, has been for some time detailed on other duty. The greater part of Col Wade Regt is from the portion of Miss in which my company was raised.

for some time served. I was a Lieut in Col Wades old company during last year at Pensacola and have many men of his old company now serving with me. They are as well as myself are anxious to be attached to his Regt. as the tenth company - this tenth company of this Regt being now detailed and in all probability permanently as with their old Capt and not [illegible] of a Battl. My company is amply able and most willing to mount themselves and would ask as an especial favor to be attached to Col Wades Regt. I am assured the company would not only [illegible] patriotic sentiment but sustain the character which it has established in the battles in which it has been engaged.

I beg leave to submit this request and ask [illegible] speedy action on it.

Very Respectfully

WASHINGTON

October 4, 1933.

IN REPLY REFER TO ORD

Respectfully returned to

Mrs. R. S. Roddenbery,
Moultrie,
Georgia.

The records of this office show that one R. C. Germany, private Company K, 8th (Wade's) Confederate Cavalry, Confederate States Army, enlisted March 1, 1862, in West Point (probably Georgia.)

His name is not borne on the muster rolls of that company for May and June and November and December, 1863.

The records also show that a man of that name enlisted in the same company of that regiment February 1, 1864, in West Point, Georgia.

The muster roll of that company for May and June, 1864, last roll on file shows him absent on furlough since June 20, 1864, and no later record has been found.

Nov 28/62

Recommending James Gillespie for position as Military Court and asking attention to his claims

Endorsement recommending of Maj. J. J. Peabody.

Rec'd Dec 5/62

Talladega Alabama
29 Nov 1862

Sir,

I enclose a recommendation of James Gillespie for position of Judge Advocate of the Corps of Cavalry, raised by you under the requirements of the Act of Congress approved July 17th 1862, and respectfully request that he may be appointed to such position.

I also enclose documents in support of his application, which I trust will be found sufficient.

Mr. Gillespie is a native of Alabama, and has resided in this State for many years. He is a lawyer of high standing and ability, and has been for many years a practising attorney in the Courts of this State. He is a Union man, and has been from the beginning of the present unhappy rebellion. He has raised a company of cavalry, and is now in camp at this place, awaiting the action of the Government upon his application for appointment as Judge Advocate.

Mr. Gillespie is personally known to me, and I can recommend him as a gentleman of the highest character, and as a lawyer of ability and learning.

The first section of the above named Act provides "that the pay and allowances due to any deceased volunteer, non-commissioned officer, musician or private in the army of the Confederate States, shall be paid to the widow of the deceased, if living; and if not, to the children, if any, and in default of widow or children, to the father, if living; and if not, to the mother of such deceased volunteer."

The first section of Act No. 32 provides "that claims due to deceased non-commissioned officers and privates for pay, allowances and bounty, may be adjusted and paid when there is official evidence of the amount due, satisfactory to the second auditor, under such regulations as he has, or may prescribe, with the approval of the Secretary of War."

By section 2 of the same Act it is provided that "the claims of deceased commissioned officers shall be paid to their heirs or representatives in the same manner as similar claims of non-commissioned officers and privates are now, or may be directed by law to be paid." Payment will be made accordingly under the following rules

1st. If the child or children be minor, payment will be made the guardian, upon the production of the proper certificate of guardianship under the seal of the Court.

2d. The claimant must produce his or her affidavit, and that of one disinterested witness, stating the relationship. For instance, if the claimant be a mother, the affidavit must state that there is living neither wife, child or father of the deceased; if the father, that there is neither wife or child; and if the child, that there is no widowed wife.

The *magistrate or other proper officer must testify to the credibility* of the *witness*, and the clerk of the Court must certify, under the seal of the same, that he is such magistrate.

The aforegoing instructions must be strictly complied with. Powers of attorney or assignment, which will seldom be necessary, may be executed before a magistrate, or in the presence of two responsible witnesses. Claims prepared as herein suggested, and transmitted to the Second Auditor by mail or otherwise, will receive as prompt attention as the business of his office will allow, and *always in the order of their presentation*. The amounts found due will be remitted by the auditor, to the parties entitled as they may direct.

1st Lieut 6th Cav
1st Confederate Cavalry Dep

In command since Dec. 28th 1861 & my first concern touches both ... I would respectfully call the attention of the Govt to the case of 1st Lieut F. Ehlheim ... 9th Ill. Cav. Lieut Ehlheim was in an officer at my Camp ... twenty-three months and during that time has not done one months duty. ... studiously avoids being with his command when on active service and only reports at intervals when all is quiet, remaining then but a short time and constantly pleading illness as an excuse for his conduct. On one occassion our command was slightly engaged with the enemy when it happened that he was present and his conduct was such that a part of the more gallant of his command, left him trying to evade the fight and took part without him in the affair. At another time when an engagement was imminent and we had formed line of battle he obtained very suddenly an excuse from the surgeon, the surgeon not then knowing him well, and was absent until the fight closed, when he reported well. He has since guarded himself well against any participation in an engagement by obtaining himself for weeks and sometimes months at a time - returning with certificates from unknown surgeons. He has now manifested a spirit to shrink from the

discharge of duty and especially those a brave and
distinguished soldier holds most honorable. Such incompetency and
unmanly conduct has forfeited the confidence and
respect of his fellow officers and subjected him
to the contempt of the brave soldier who cannot
excuse inefficiency and the absence of that cour-
age which is willing to share his dangers.
During the last twelve months he has been on du-
ty only twice and each time charged, by Com-
mander of Regt. with neglect of duty. It has been
earnestly endeavored by his commanders to have
him remain at his post & do his duty but they
fail in every attempt and cannot inflict the
penalty such conduct deserves as he is always
shielded from punishment by Surgeons certificates.
Those who know him do not thus excuse his idleness
and wanton disregard of duty, but those who are
unacquainted with his character as an officer will
indulge him. I avail myself of the present course of-
fered for such cases to rid the service of a worthless
officer whose disregard for principle and shirking qual-
ifies him to acquit himself by trial by court of ar-
raignment. I am honest in saying that I believe it is his
continual study how to avoid duty and escape punish-
ment. To do justice to my company it has become my duty
